Our vision for the future
Give us options in where to live

- High quality environments across all choices
- Things to do nearby
- Create places rather than just buildings
Housing density and where we want to live

Covington
Park Hills
Ft. Mitchell
Independence
Rural
Choices in how to get places

- Walk
- Bike
- Transit
- Cars

Make these options safe to use!
Safety

- Traffic calming
- Sidewalks
- Medians
- Safe for bicycles
- Lighting
Traffic Calming

- Use traffic calming techniques to encourage safer speeds in residential areas.
Sidewalks

- Make sidewalks more convenient for people to use and have a safe feel to them.
Medians

- Build medians so that people do not have to cross several lanes of traffic at one time.
Safe for Bikes

- Bike lanes and share the road signage
Lighting

- Use lighting so people feel safer.
- Lighting should be decorative and designed to match surroundings.
Places

- Gateways
- Aesthetics
Gateways

➢ Help local residents and visitors know when they come to a new city.
Aesthetics

- Interesting architecture.
- Old-fashioned brick buildings.
- Nicely landscaped grounds.
Transit

- Buses should run more often and later into the night
- More shelters
Final thoughts

- This program was beneficial and important.
